If Sanitation department clears the area of bio waste and hazardous materials we can load the rest and clear out 1544 Cotner. Our management does not want our crews to remove the bio waste and hazardous materials. Debris and structure we can remove and dispose. Please LMK if this works.

Hello Scott, et al,

Thank you for sharing this email with our office. Everyone, please included either District Director Debbie Dyer-Harris or myself in these discussions moving forward so that our office can assist with coordination.

Bladimir Campos is our liaison with the Bureau of Sanitation and him, Diana Gonzalez, and Leon Ho of LASAN were notified today that 1544 Cotner Ave. and 11101 Ohio Ave. are our top priorities for Thursday, March 7th. We want Cotner and Ohio to be the first two locations of our top 5 homeless encampment locations to be serviced.

Scott, it's my understanding from today's meeting that Ben can post Caltrans 72-hour notice on Monday, March 4th, for the clean up to take place on Thursday, March 7th. I've included Sgt. Maxwell of the LAPD's HOPE Team so that he's aware of this email. We want Caltrans and Sanitation to clear both State and City property for these locations and work together with CHP and LAPD to make it happen. We are aware that if the City cleans their side or vice versa, the encampment will move to the other side ping-ponging the issue when both the City and State can work together and clear both sides simultaneously. We know that this does not guarantee any homeless person(s) at this site will relocate, but it will ensure that the area is cleared of any biohazards, debris, and/or flammable materials.

What time will Sanitation and Caltrans start with 1544 Cotner Ave. so that LAPD and CHP are aware?

Thank you,
Joseph

No response from City, I am still waiting on date when they want to coordinate cleanup. I can issue 72 hr. Notice to Vacate on a Tuesday and remove them on Friday. Please LMK. We are ready on our side.

Good Morning Deborah & Garegin,

Had a location requesting assistance. There is currently a large encampment on Private property that belongs to Cal Trans. It would be great if we can coordinate with Sanitation to remove the encampments. Let me know if you are able to assist?

Once again thank you for your assistance and let me know if you can not at this time. Looking forward to a representative being here soon.

Respectfully,
